You’re Invited... How To Future-Proof Your Children!

Monday 27th October 2014
Time: 6:30pm
Location: Moss Vale High School Library
Presenter: Tony Ryan (www.tonyryan.com.au)
Cost: Free

Dear Parents and Community,

You are invited to a very special event for parents hosted by Moss Vale High School!

Would you like to hear some predictions about your children’s lives in the next ten years??

Admittedly, no-one can possibly explain those to you with any great degree of perfection.

However, it is very possible to prepare children for whatever is up ahead. And this session will give you lots of powerful ideas for doing just that.

Amongst other things, you will be offered:

- Some indicators on work trends and life patterns for the next 10 years
- The possible uses of technology in learning and daily life
- Practical ideas for helping children (and grown-ups) to cope with rapid change in their lives

Outline on Tony Ryan

Tony Ryan is an educational consultant and writer, and offers professional support to school and business organisations throughout the world on issues such as change leadership, lifelong learning and future-proofing. He has presented numerous keynotes and workshops at state, national and world conferences in the past 10 years.

Tony is a prolific author of books on effective thinking and learning. These books include The Ripple Effect, Thinkers Keys for Kids, Mindlinks, Brainstorms, Thinkfest and The Clever Country Kits.

Tony was the 2011 Australian president of the National Speakers Association, and he is the Australian ambassador of School Aid, a non-profit organization that encourages the 10 000 schools around Australia to co-ordinate their fund-raising activities for major local and global disasters.

I encourage you to view www.tonyryan.com.au for more information on Tony.

Refreshments will be provided.
