February 2015

Dear Parent/Guardian/Carer

I am writing to advise you that we suspect that nits/head lice are present in the hair of some students.

Please check your child’s hair for nits/lice tonight using the methods recommended in information from NSW Health (http://www.health.nsw.gov.au/environment/headlice/Pages/treatment.aspx).

If you find any eggs or lice please commence treatment as recommended.

Further information on head lice is available on the NSW Health website (details above) or through the Department’s website at http://www.schools.nsw.edu.au/studentsupport/studenthealth/conditions/headlice/index.php.

I appreciate your assistance in this regard.

Yours faithfully
